

ATTENTION HERITAGE HALL USERS!!!

Effective January 1, 2025, fees for the use of Heritage Hall, Inc. will increase. We regret having to do this but the costs for water, electricity, insurance, paper goods and other supplies and services increased unbelievably during 2024.

For families and nonprofits, the hall will rent for \$120 for five hours, an increase of \$10.

Half of the hall will rent for \$60 for five hours.

Suite 101 will rent for \$65 for five hours.

For businesses, the hall will rent for \$180 for five hours, an increase of \$20.

Half of the hall will rent for \$90 for five hours.

Suite 101 will rent for \$70 for five hours.

Rent for the certified kitchen will increase from \$25 per hour to \$30 per hour.

Starting in March 2025, a Special for families and nonprofits--one Saturday or Sunday each week--the hall will rent for 10 hours with 5 hours kitchen use for \$300.00. Call early to reserve!

Heritage Hall is grateful to its users for their efforts to keep the hall and kitchen clean. We realize with true regret that increasing fees will result in the loss of some very good users. We only hope that new users will maintain the same practices of cleaning up after using the hall and kitchen as our present users do.
